VISION

A1 Basundi Tea Our company is committed to providing the best and highest taste to tea lovers by taking the consumer experience to a new level

BENEFITS OF TEA POWDER

1. The taste of tea is amazing and unique.
2. Less tea powder means more tea.
3. The tea thickens and the color of the tea also gets better.
4. Natural pure fresh and premium quality tea powder.
5. Purity , freshness and cleanliness are taken care of in tea powder.
6. Basundi tea works to relieve your fatigue and keep you fresh.
7. Our tea powder works as an energy booster and mood changer for consumers.
8. It is a chemical free tea powder so it does not cause irritation of acidity after drinking the tea.
9. Spices like cardamom and nutmeg are mixed in the basundi flavored tea powder. Due to this, the digestion process remains in order. Also, antioxidants in it reduce cholesterol in the body and help improve blood flow. Nutmeg is a mouth freshener that is pain relieving and antibacterial. It also works to boost the immune system.
10. Direct company to customer.
11. Tea powder that you can afford and that fits your budget.
